

**BOND PRIMER****PRODUCT DESCRIPTION**

Water-based acrylic resin-based, single-component adherence-enhancing primer developed for ceramic-like glossy surfaces. Thanks to its special granular structure, it provides excellent results in under-ceramic applications.

**PRODUCT FEATURES**

- Waterproof
- Long lasting
- Ready-to-use.
- Four-season application
- Easy application
- Provides resistance against moisture
- Excellent adhesion
- Odorless.

**AREA OF USE**

In order to ensure the adhesion of the ceramic adhesive mortar to the old ceramic surface in ceramic-on-ceramic applications, it is used safely in order to increase the adherence on the exposed concrete, sandstone marble-like flat and glossy surfaces.

**RECOMENDED APPLICATION****Surface Preparation:**

The application surface should be cleaned from all kinds of dirt, grease, oil, dust and loose material. In applications on concrete, care must be taken to ensure that the surface has been cured.

**Application:**

Bond Primer is ready to use and should be stirred well before application and should be applied in one coat with roller. It should not be used for isolation purposes.

**TECHNICAL INFORMATION****TECHNICAL SPECIFICATIONS**

Resin type	Elastomeric acrylic resin.
Color	Green
Gloss	Matt
Viscosity (25°C)	200 ± 5 g/cm <sup>3</sup>
Density (20°C)	1,56 ± 2 g/cm
Solid matter	69 ± 2 g/cm

**DRYING TIMES**

Touch Dry	1,2 hours
Dust Dry	4-5 hours
Hard dry	12 hours

**PAINTED AREA CONSUMPTION**

In a single coat, depending on the surface;

5 m<sup>2</sup> surface can be coated with 1 Kg.

20 m<sup>2</sup> surface can be coated with 4 Kg.

\*A controlled sample run should be performed to estimate the precise consumption.

**STORAGE AND PACKAGING INFORMATION**

Packaging Information: 1 Kg, 4 Kg, 10 Kg

Storage Conditions: It can be stored for 3 years in its unopened package in a cool and dry environment at a temperature of 5 to 35°C, protecting from frost and direct sunlight.

**HEALTH AND SAFETY INFORMATION**

Pay attention to the health and safety statements on the product packaging. The rules specified in the product safety data sheet must be observed. Contact your nearest health care provider in case of unexpected health problems
